
SWEET AND SOUR MIX

Simple to make and infinitely better than the sugary store-bought variety. Sweet and sour mix may be made 1 day ahead, chilled and covered. This makes enough for about 3 cups, or 16 drinks.

Ingredients:

| | |
|--------------------|--------------------|
| $\frac{3}{4}$ cups | sugar |
| $\frac{3}{4}$ cups | water |
| 1 cup | fresh lemon juice |
| $\frac{1}{2}$ cup | fresh lime juice |
| $\frac{1}{2}$ cup | fresh orange juice |

Directions:

1. Bring sugar and water to boil, stirring until sugar is dissolved.
2. Transfer to a metal bowl set in a larger bowl of ice and cold water to chill syrup quickly.
3. Stir together 1 cup syrup and remaining ingredients in a pitcher.
