

JAMAICAN GREYHOUND

I love greyhounds. They are always so polite. I think owning one would be kind of like having a deer of your very own.

Ingredients:

1 ½ oz	New Deal Vodka
½ oz	Jamaican bitters (see mixers from scratch)
5 oz	fresh grapefruit juice
a few	mint leaves

Directions:

1. Stir New Deal and grapefruit juice together in a highball glass filled halfway up with ice.
2. Float bitters over a spoon into the top.
3. Bruise a mint leaf along rim of glass, garnish drink with another and serve.
