

THE PINK BITCH

Strawberries have arrived, and this is but one of a myriad of lovely ways to give them their due. Recipe courtesy of Ms. Linda Russell, who, incidentally, is neither pink, nor a bitch. Serves 4 quite well.

Ingredients:

1/2 cup	Fresh strawberries, sliced, topped with 2 T sugar
3/4 cup	New Deal Vodka
2 T	Freshly squeezed lemon juice
1/2 cup	Lemon-lime soda (seek out San Pellegrino Limonata)
1	Thinly sliced lemon wheel, for garnish

Directions:

1. Puree strawberries and sugar together in a blender. Strain out seeds if you are so inclined.
2. Add strawberry puree, New Deal Vodka, lemon juice and soda into a shaker half-filled with ice.
3. Shake well and strain over ice into four rocks glasses. Garnish with lemon wheel.
